ATTN OF:

SUBJECT: Bechtel Jacobs Company LLC Request for Temporary Exemption From 10 CFR Part 830.202(c)(2) Requirements For Selected Nuclear Facilities

TO: Michael D. Holland, Acting Manager, Oak Ridge Operations Office

REFERENCE: 1. Memorandum from Michael D. Holland to Jessie Hill Roberson, dated April 23, 2002, "Bechtel Jacobs Company LLC Request for Temporary Exemption from 10 CFR Section 830.202(c)(2) Requirements for Selected Nuclear Facilities."

I am denying Bechtel Jacobs Company's request for temporary exemption from 10 CFR 830.202(c)(2) requirement for the selected facilities. I am aware that the contractor will submit to DOE the annual updates of the documented safety analysis for these selected facilities by the end of this month. In order to expedite the DOE review of these annual updates, I asked the following EM staff to be the team to support this review:

Lead: R. Lagrange, EM-42
K. Juroff, EM-44
T. Wright, EM-44
C. Broussard, EM-41
R. Blaney, EM-41

Please have your staff contact R. Lagrange directly (301) 903-4976 to coordinate their support. If you have any questions, please contact Sandra Johnson at (202) 586-0651.
